

Dear Parents,

Many events have been happening, even though it has only been a four day week! Year 4 have experienced judo and karate with experienced instructors, the pupils who went to Walsall for the swimming gala did exceptionally well and years 3 and 5 have brought their bikes to school to learn how to ride safely.

It is SATs next week for years 2 and 6. It is very important all the children in these year groups have a good night's sleep and are in school on time. Colley Lane delivers a broad and balanced curriculum which is not driven by SATs, but we need to give the children the best chance to do their best.

This Week

Year 4

This week, as part of their 'Keeping Healthy' topic, year 4 have been enjoying karate and judo lessons. This has encouraged them to think about important life skills, capture their interests for a new way of keeping fit and to think about discipline. The teachers in year 4 even joined in too. Fun was had by all and a lot of important learning too!

Dinner Money

Can you please ensure your ParentPay account has sufficient funds for your child to have tuck or lunch.

Thank you
